SIGNATURE COCKTAILS

Blazers

The classic Blue Blazer was created by Jerry Thomas, author of the first bartending book, in the mid-1800s. This original consisted of a mix of whisky or brandy, hot water, and sugar, set alight and stretched between two silver mugs. Thomas would only serve the drink if the outside temperature was below 10°C, or if the customer had the symptoms of a cold.

Our blazers take inspiration from Thomas' original, combining the spectacular preparation with new flavours and ingredients. The blazing process itself triggers chemical reactions in the cocktail, caramelising sugars, aerating, aerosolising aromas while smoothing flavours on the palate. The *Island of Fire* has been on our menu since our opening in 2004, and features all Tasmanian ingredients.

All our blazers are extinguished before being served hot in a brandy balloon.
